

Publications

1. Seetha Dayakar Heera R. Pillai, Vineetha P. Thulasi. DevakikuttyJayalekshmi, **Radhakrishnan R. Nair**, Comparative study of molecular approaches for the detection of Influenza virus from patient samples using real-time PCR- prospective disease burden study in Kerala (India) from 2010 to 2016. Infectious Disease Reports, June 2018
2. Sara Johnes, Raji Prasad, Anjana S Nair, SanjaiDharmaseelan, Remya Usha, **Radhakrishnan R. Nair**, RadhakrishnaMadhava Pillai, Whole- Genome sequence of Influenza A (H1N1) pdm09 virus Isolates from Kerala, India, American Society for Microbiology, 2017
3. Seetha Dayakar, Heera R. Pillai, Vineetha P. Thulasi, **Radhakrishnan R. Nair**, Development of a multiplex RT-PCR for simultaneous diagnosis of human metapneumovirus (HMPV) and human respiratory syncytial virus (HRSV) from clinical specimens, Springer, 2016,
4. Seetha Dayakar, Iravathy K. Goud, Heera Pillai, VijiRemadevi, SanjaiDharmaseelan, **Radhakrishnan R. Nair**, M. Radhakrishna Pillai. Molecular Diagnosis of Chikungunya virus (CHIKV) and Dengue virus (DENV) and its concomitant circulation in South Indian population. Virology Reports, 2015, 5
5. Kuttiatt VS, Kalpathodi S, Gangadharan ST, Kailas L, Sreekumar E, Sukumaran SM, **Nair RR**. Detection of measles virus genotype B3 in India. Emerging Infectious Diseases, 2014 Volume 20, (Number 10), 1765-1756, 2014.
6. Zinia T. Nujum, Achu Thomas, K. Vijayakumar, **Radhakrishnan R. Nair**, M. Radhakrishna Pillai, et al. Comparative performance of the probable case definitions of dengue by WHO (2009) and the WHO-SEAR expert group (2011). Pathogens and Global Health 2014, 108, Issue 2, pp. 103-110 2014
7. G.K. Mini, Mark Nichter, **Radhakrishnan R. Nair**, K.R. Thankappan. Confirmation of self reported non smoking status by salivary cotinine among diabetes patients in Kerala, India (2014) online pp 1-3 2014

8. Lakshmi Ramakrishnan, **Radhakrishnan R Nair**, M R Pillai. Dengue Vaccine Development: Strategies and Challenges Viral Immunology March 2015, 28(2): 76-84. doi:10.1089/vim.2014.0093.
9. Hypertensive Hypertrophic Cardiomyopathy -Is it a Part of Systemic Hypertension or Genetic Abnormality? SumanOmanaSoman, GovindanVijayaraghavan, Ramesh Natarajan, **Radhakrishnan Nair**, HeeraPillai, Kartha CC. The American Journal of Cardiology Volume 115, Supplement 1, 16 March 2015, Pages S139.
10. Polymorphism of the CYP3A5 Gene and Its Effect on Tacrolimus Blood Level. Sreeja S. Nair, ThekkumkaraSurendran Nair Anish, SreejaSarasamma, Noble Gracious, Jacob George, **ReghunathanRadhakrishnan** Experimental and Clinical Transplantation (2015) Suppl 1: DOI: 10.6002/ect.mesot2014.O167
11. Rachy Abraham, AnoopManakkadan, Prashant Mudaliar, Iype Joseph, Krishnankutty Chandrika Sivakumar , **Radhakrishnan Reghunathan Nair**, Easwaran Sreekumar, Correlation of phylogenetic clade diversification and in vitro infectivity differences among Cosmopolitan genotype strains of Chikungunya virus. Infection, Genetics and Evolution. Accepted 19 November 2015, 3.2015
